

Dear O'Connell Families & Friends,

We are in the process of compiling recipes for the O'Connell Cookbook. We hope to have everyone within the Bishop O'Connell Community to participate. We urge you to contribute 2-3 recipes. Below you will find information on how to submit your recipe(s). You also have the option to provide your recipe on the reverse side of this flyer and submit to Marie Quinn in the Business Office.

Since this is a first time project for us, we are unsure of how long it will take to collect the 200 recipes needed to move forward with production. Please submit your recipes no later than Monday, November 23, 2009. Please let us know if you have any questions. Thank you.

See you at halftime,
2009-2010 Royalette Dance Team
